Janice & David Jones are a husband and wife team who create artwork both collaboratively and independently. Janice learned to quilt from her Great Aunt, who was a Mill Girl in Lewiston, Maine and has honed her skills in the craft ever since. Janice's quilts have won awards and have been featured in magazines and shown in the U.S. and abroad. David began painting full time in 2011. His precisionist dreamscape style has earned him awards both in the U.S. and internationally.
