

Merrimack Valley Quilt Guild
Mystery Quilt for Program Year 2025-2026

Welcome back! I hope you are excited as I am for another exciting year of programs and fellowship with the members of MVQG. We are so blessed to have such a fabulous guild.

This year's mystery quilt is much more basic than last year's quilt. There are no Y or partial seams, applique, half square triangles or flying geese. 😊 The finished quilt is a throw size finishing about 50" x 77". All seams will be ¼ inch. Yardage requirements assume 40/41 inches of usable fabric (WOF). The designer used scraps from her stash and only provided rough estimates. I have calculated the yardage based on the cutting instructions. The requirements for the accent and background include a small amount of extra just in case. All fabrics touch each other so a good contrast is helpful. Thank you for participating.

Focus fabric:

½ yard or 24 5-inch square focus blocks

Background fabric

2 ¾ yards

Accent fabric

1 ⅛ yards

Binding

1/2 to 2/3 yard depending on your desired binding width.

The quilt designer has authorized use of this pattern to quilt guilds. The pattern name and designer will be provided in the last set of instructions.
