

HOW TO LABEL YOUR QUILT AND BAG

Each quilt must have its own bag, properly labeled and tagged. The *entry number* and *row letter and number* for your quilt can be found on the website. Go to **mvquilters.org** and look under **Annual Quilt Show**. Click on **Quilt Show Info and Forms**, then click on **Quilt Show Entries**. Names are listed alphabetically.

Bag: You must have a bag that will standup on its own, one with a flat bottom, for each quilt entered. ***Please DO NOT use a paper bag as they rip easily.***

Index Card: On the index card, write your last initial at least 2-2.5" tall on the left side. On the right side, in smaller letters, write your *entry number, last name, first name*, and *row letter and number* such as A1, B2 etc. Staple or safety pin the card to the bag so it's visible. See example below.

Small String Tag: On the tag, write your *last initial*, followed by your *entry number*. With the back of the quilt facing you, pin the tag to the bottom right corner of the quilt. Tag should not hang lower than the bottom edge of your quilt.

Judged Quilts Only: Place painter's tape or safety pin fabric over your name on your label for anonymity during judging.
